Part B - Writing

- ① This chart shows the percentage of each age group using social media in Jamestown in 2018. It is clearly seen that the age group 13-25 years uses social media the most, i.e., 40% of all the users are in this age group. Coming second is the age group of 26-35 years, with a 35% ~~are~~, followed by 36-45 years with a 18%. The group that uses social media the least is over 55 (only 2%) and the last group of 46-55 years comprise of only 10% of the users. Overall, it is seen that the younger age groups seem to ~~use more~~ spend more time with social media than older ones.
- ② a) In the poem, ice stands for the colder aspects of human nature. Hatred, indifference, cruelty, narrow-mindedness and bigoted feelings. The poet thinks the world will end in the fire of desire, lust, greed and passion, but also says he can see why many think it will end in 'ice'.

b) Adril was an author for magazines & earns irregular income for each article he writes. He also wrote for newspapers. As soon as he received income from an article, he would go out, pay his debts and celebrate. He would then save any remaining money under his mattress.

③ a) Lencho asked them in order to write a second letter to God. This was after he got the reply for the first with only 70 pesos instead of the 100 he asked for. Thinking that the crooked postmen ~~took~~ had taken the remaining thirty pesos, he wrote another letter asking for the thirty but requesting he not send it through post so that this would ~~not~~ not happen again.

b) He suggests this because Mrs Pumphrey was very loving & caring, albeit too loving & caring. She was overpampering and hurting Tricket by doing it, Tricket had become lazy & life-threateningly fat. Thus, cutting down on meals and lots of exercise was needed. Mr Herriot suggests she tone down her love and let Tricket work hard and eat less.

④ The twin obligations are the ones to his family - his parents, siblings, spouse, children - and the ones to his country - his countrymen, his society, his community. In a civil society, one is able to fulfill both of them at the same time. But, in the apartheid regime of Africa, to fight for the freedom of your country, you had to abandon your obligations to your family, lest they become targets. Those who tried to resist were isolated, ripped away from those they love. Thus, you couldn't fulfill both.
